

Hi Rebecca,

Thank you so much for your lovely email! We had a great time too, like you I was inspired to do some things differently....I've attached the recipies from the other cooking day (in July-when Callum had a work function), do try the tea smoked salmon, easy peasy and very yummy!

*Come to Upper Reach's Sundowner, catch up & enjoy a glass of wine and nibbles.
We're launching our new GIG wines on Sunday 15 August 4.30-6.30pm. Just \$16pp*

Hi Laura,

Thoroughly enjoyed yesterdays' culinary class and wonderful evening! My tastebuds are still dancing! Such a great idea, very special indeed. Can't believe it all came together so beautifully, with a little help from the Cooking Professor.

Thankyou for the generous wines. Looking forward to our order. It was good to relax with great company, fellow wine and food lovers.

Cheers and many thanks to you and Derek,

Rebecca and Calum
